TOBACCO AND VAPOUR PRODUCT USE ON DISTRICT PROPERTY

6.310

POLICY

The use of tobacco and /or vapour products on District property is prohibited.

SCOPE

Consistent with legislation noted below, this policy applies to all forms of tobacco and vapour product use with the limited exception of ceremonial use. It applies to students, parents, staff, contractors and the general public at any event on district property at any time.

VALUES

- ✓ The School District has a *responsibility* to comply with provincial legislation. In particular, this policy affirms the District's compliance with Bill 10, an Act amending the *Tobacco Sales Act*. The amended legislation (*Tobacco Control Act*) is in full force and effect as at September 2, 2007.
- ✓ The policy acknowledges the negative health impacts of smoking and reflects *respect* for the health and comfort of others.
