

SCHOOL DISTRICT 54
(*Bulkley Valley*)

FRENCH LANGUAGE PROGRAMS

6.320

POLICY

The Board of Education believes that students in this school district should have the option of enrolling in a French Immersion program at the elementary level. The Board recognizes that French Immersion is an optional program and as such, means access to French Immersion programs is contingent on enrollment numbers and staff adequate to provide a quality program. French Immersion programs are offered to second language learners and as such have not been developed as studies defined under the Charter of Rights and Freedoms (Chapter 23).
