

Board of Education
School District 54 (*Bulkley Valley*)

VIOLENCE IN THE WORKPLACE

6.410

POLICY

The district shall develop, maintain, implement and monitor procedures with respect to incidents of violence and improper activity or behaviour in the workplace. Such procedures shall be fully compliant with relevant *Worksafe BC* regulations and include a definition and provisions which encompass violence from workers and persons other than workers.

VALUES

In its consideration of this policy, the board of education was guided by the values of respect, responsibility and fairness.
