2. If child care programs are to be provided on board property, the Board will consider, on an ongoing basis, whether those programs are best provided by licensees other than the board, the board, or a combination of both.
3. Child care programs, if operated by the board, will be operated for a fee no greater than the direct costs the board incurs in providing the child care program.
4. Fees for the use of board property by licensees other than the board will not exceed the direct and indirect costs the board incurs in making board property available for the child care program.
