

**Board of Education  
School District 54 (*Bulkley Valley*)**

---

**CHALLENGE OF LEARNING RESOURCES**

**6.175**

**POLICY**

Consistent with the accompanying regulations<sup>1</sup>, the Board of Education and district administration shall ensure a fair and transparent process through which district learning resources, electronic or print, may be challenged by parents/guardians.

**VALUES**

In its consideration of this policy, the Board of Education was guided by its *respect* for the opinions of others, its *responsibility* to provide learning resources of sound educational value and those consistent with Ministry guidelines as well as its *responsibility* to provide a *fair* and *honest* process for such challenges.
