Community Relations Committee

The committee shall be comprised of 3 Trustees. Quorum shall be two (2). In the event quorum is not reached, the Board Chair/Vice-Chair or representative, ex officio, will have voting rights for the particular committee meeting. The Committee Chairperson and regular members shall be appointed by the Chairperson of the Board. The term of appointment is one (1) year. Purpose & Scope

The purpose of the *Community Relations Committee* is to provide the Board with effective community relation and communication strategies and provide a focal point of contact for such strategies. Specifically, through the development of the Education Forum, the committee shall endeavour to provide effective liaison with the Districts identified stakeholders.

SCHOOL DISTRICT 54

(Bulkley Valley)

The Superintendent, or in the absence of the Superintendent, the Assistant Superintendent, shall co-facilitate the meeting with the committee Chairperson. The trustee liaison/co-facilitator shall be appointed, as required by the Chairperson of the Board.

The forum will be enriched by guest speakers, recognized for their contributions to educational innovation, on an *ad hoc* basis.

Generally, the purpose of the Education Forum is to provide a mechanism and opportunity for Trustees and the public to discuss and understand educational issues. The forum should provide a conduit through which 'cutting edge' ideas and information flow to and from government, district administration, trustees and the public. Specifically, the purpose is to provide a forum within which new ideas, research and other information can be discussed within a culture of innovation, student achievement and leadership.

The public should be engaged through individual trustees representing the district within their 'constituencies' as well as through efforts and initiatives of the Community Relations Committee.

Meetings

The committee shall normally convene at Education Forum and will meet two (2) weeks prior to the regular board meeting as needed for planning purposes or for other related items.

As this is a committee of the board, we encourage all trustees to participate in the Education Forum component of the Community Relations Committee. Though quorum may be possible, this body does not make recommendations to the Board, and that recommendations to the Board, resulting from forum deliberations, are not appropriate.

Other Community Representation

The need and desire to participate in other community groups is acknowledged. The Chairperson of the Board will work collaboratively with committees and individual trustees to assign individual trustees to attend and represent the District at meetings and events.
